GET MORE POWER AT YOUR FINGERTIPS WITH PUREGEAR'S POWERBANK 10,000 mAh.

[January 30, 2015] Irwindale, CA – Now you can charge into the new year at full power – even on those days when you've accidentally let your device battery run down – thanks to the PureGear Powerbank 10,000 mAh. It's the perfect accessory for frequent travelers, commuters, multi-tasking parents or students on the go.

It comes with dual USB ports that allow you to charge 2 handsets or 1 tablet, for up to 40 hours of additional talk time per charge, depending upon your device. It features smart charge capabilities that recognize when your device is already charged and is designed with user-friendly features like blue LED light indicators and an included micro USB cable. The Powerbank 10,000 mAh is compatible with a wide range of devices including Apple, Samsung and other leading brands. Available at an MSRP of \$59.99.

ABOUT PUREGEAR

At PureGear, we believe that wireless technology should simplify your life, not weigh it down. This is why we design reliable mobile device accessories that complement today's demanding, on-the-go lifestyles. Our products are designed with added features and benefits that make sense – for work or play. We're also committed to providing you with premium quality at an affordable price. After all, we understand that devices change faster than your kids' favorite toys, the latest diet fads...possibly even the stock market. With this in mind, it is our goal at PureGear to simply enrich your everyday mobile life experiences while respecting your wallet and our world.
