

INTRODUCING EXTREME WEATHERPROOF PROTECTION FOR IPHONE 5 OR SAMSUNG GALAXY S4 FROM PUREGEAR.

[June 12, 2013] Irwindale, CA – Summer’s here, and it’s time to head into the great outdoors for your favorite warm weather activities. Whether your idea of fun involves boating, fishing, camping, climbing, hiking, biking, or just relaxing at the beach or pool, PureGear’s PX360 and PX260 Weatherproof Extreme Protection Systems can keep your mobile device safe and sound. We like to think of it as the best outdoor protection since sunscreen!

The PX360 and PX260 Weatherproof Extreme Protection Systems feature rugged, high impact-resistant screw-on cases, and come with a hex key tool that allows for easy assembly. Designed and engineered to comply with U.S. Department of Defense test method standard, these weather smart, durable cases include a three-layer, built-in screen shield and covered buttons and ports, to help protect your device against dust, splashes, rain and more. The PX360 Weatherproof also features an integrated carabiner, so you can easily clip your device to a bike handle, boat bag, purse or gear on the go. Both PX360 and PX260 Weatherproof Extreme Protection Systems are available for iPhone 5 or Samsung Galaxy S4, and we’ll be offering versions for more device models soon.

ABOUT PUREGEAR

At PureGear, we believe that wireless technology should simplify your life, not weigh it down. This is why we design reliable mobile device accessories that complement today’s demanding, on-the-go lifestyles. Our products are designed with added features and benefits that make sense – for work or play. We’re also committed to providing you with premium quality at an affordable price. After all, we understand that devices change faster than your kids’ favorite toys, the latest diet fads...possibly even the stock market. With this in mind, it is our goal at PureGear to simply enrich your everyday mobile life experiences while respecting your wallet and our world.
